

	TIMBER POLICY			REF:	PL11		
				ISSUE:	01		
				DATE:	January 2021		
				PAGE:	1	OF	1

K Rouse Civil Engineers Limited (the company) recognizes its environmental impacts, both positive and negative and is committed to the continual improvement of its performance.

The company is committed to the responsible procurement of forest products.

This policy requires that all timber and wood derived products must have Forest Stewardship Council (FSC) Chain of Custody certification.

Records are to be held by the Purchasing department as evidence of this and must be produced when requested.
